Naíonáin Bheaga

This is our first year in Scoil Raifteirí. It was all so frightening at first and definitely a big jump from the Naonara! After all, we were all so young.

The play we did back then was, 'The Three Little Pigs'.

Looking back at that video on Scoil Raifteirí Home Page is always so funny to watch. That was almost the most important years in Scoil Raifteirí because it was the year we made all of our friends and got to know each other.

Naonán mhóra

This was our second year in primary school and we were all getting so much more used to to Scoil Raifteirí. We still had 'Cairde Cuideachta' who always played the best games with us at lunch Time. We had the same teacher as last year, Muinteoir Noirín. She was a very good teacher. At this point we all started noticing the people in our school and started looking up To all the other students older than us! Mostly they were either in fifth class or sixth class. They all seemed so tall, huge and grown up.

Rang A hAon

First class was our third year of Scoil Raifteirí. At this point we all had our friend groups and we were all completely used to Scoil Raifteirí now. We didn't have or need 'Cairde Cuideachta' anymore. Instead of a play for 'Seachtain Na Gaeilge' we did 'An Seó Bréagéadaí' and I remember being so jealous of everyone's costumes! I was a bunny. The teacher we had that year was Múinteoir Nóirín De Burca. She was an amazing teacher. She always had stories to tell.

Rang A Dó

Second class was our fourth year of being in Scoil Raifteirí. We were all about seven to eight years old. And this year was very important because people in my class were doing their communion! and they raised 725 euro for 'Rock Rose House'! The teacher we had was Múinteoir Pádraig. He was a really good teacher!

Rang A Trí

Third class was the fifth year that we have been in Scoil Raifteiri. The teacher that we had that year was Múinteoir Sinéad! She was a really good teacher and taught us very well. It was a really interesting year because you learn so much. I think it's a really big leap from second class.

RANG A TRÍ

I rang a trí bhí múinteoir Sinéad again.

RANG A CEATHAIR

I rang a ceathair chuaigh muid go dtí lets go le haidhagh an turas scoile.

RANG A CÚIG

I RANG A CÚIG BHÍ MÚINTEOIR MICHELL AGAIN. RINNE MUID GLANADH AMHAINN.

RANG A SÉ

An bilain seo bhí sé an a mhaith ach ansin tháinig an corona virus. Anois tá na scoil go léir dúnta agus ní beidh mo rang ag dul ar ais go dtí scoil raifteirí arís.

Why did I go to the school

When I was about three years of age my family were undecided of what school I should go to. I went to the same child minder as a girl in my class (Tuathla) and her family influenced us to go as her older brother had already been in the school. I am really happy with the decision my family made.

Sports

I did many different sports in Scoil Raifteirí for example gaelic, soccer, hurling and rounders. Everyday after school coming up to the summer when the pitch behind the school started to get in better condition Múinteoir Gearóid and Múinteoir Pádraig would train us every week after school. The hurling teacher Kevin comes in most Wednesday. We were successful in gaelic the last few years with us winning the Mini seven's and Faye lavin 2 years ago. We also won the Mini seven's this year but we didn't get a chance to enter in any other competitions due to Covid – 19.

School Tours

We were very lucky in Scoil Raifteirí as we got to go on many different school tours. I really enjoyed last years school tour as it was in the water. I really enjoy the bus trip to the school tours. Sadly this year we didn't get to go to Dublin on our school tour this year but it didn't really matter as we've been to Dublin already this year.

8

Highlights of my eight years

The main thing I enjoyed about Scoil Raifteiri was sports. There would nearly be a competition every two weeks to look forward to. I participated in a lot of different sports in Scoil Raifteirí. Such as gaelic , soccer, spikeball, rounders and hurling. I also enjoyed minding the junior or senior infants at lunch.

Rang a Dó

i Rang a Dó rinneamar ár
gCéad Chomaoineach.
Cúpla lá tar éis an
Comaoineach, thóg gach
duine isteach píosa airgid a

Rang a Trí

Chuamar go dtí an ospidéal chun amhráin a sheinm i gcomhair na daoine san ospidéal.

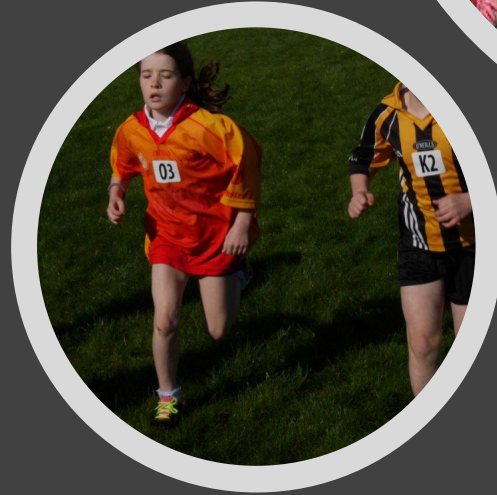

Rang a Ceathair

Chuamar go dtí an Futsal,

Fuaireamar dara háit sa

gCumann na mBunscoil!
Chuamar go dtí Sailearna chun

D'ardaigh muid 500 euro ón
Díolachán Cácaí.

Rang a Sé

Rinneamar alán rudaí i rang a sé,
ach chaill muid amach ar alán
freisin. Bhí bliain iontach agam. Tá
sé an-bhrónach go raibh sé comh
geart, ach bhí Múinteoir Gearóid
an-deas dúinn, agus bhain mé
taitneamh as an am a bhí againn.

A NEW SCHOOL

I really wanted to go to Scoil Raifteirí because my siblings had also attended the school and the opportunity to learn Irish was irresistible. The first day was amazing, I made some new Friends and got a really nice uniform. I can't remember much From when I was younger but I can Remember the Graune Pet Farm's play area with the giant bouncy castles and the Seó Bréagéadaigh where I was Donal Vaughan.

SPORTS

Probably my favourite thing in school was sports. I won the Faye Lavin, Mini 7s and we might have one the Cumann na mBunscol in gaelic if there was no Covid-19. We lost in the final in hurling. We lost in the final of the futsal, we didn't make it out of our group in the Ribena Cup last year and like the Cumann na mBunscol we very much could've won the Ribena Cup this year. And last but not least we lost in

DUBLIN

We went to Dublin this year to the

CONFIRMATION

We were supposed to make our confirmation this year, but as you all know it was cancelled. Hopefully we can make it later on this summer and all meet up one last time before we go our separate ways. It has been an honour to have been in a class with you all and it's too bad we won't be able to have a graduation either.

NAONÁIN BEAGA

Ní cuimhin liom a lán faoi naíonáin bheaga. Bhí Múinteoir Nóirín againn mar mhúinteoir agus is cuimhin liom gach lá tar éis ám lóin léigh sí leabhar dúinn. Chuaigh muid abhaile ag a leathuair tar éis a haon. Rinne muid a lán dathu agus corp oideachas. I corp oideachas rinne muid a lán skipping agus hula hoop. Bhí am an-mhaith againn i naíonáin bheaga mar ní dhearnamar a lán oibre. Rinne muid an dráma ‘Na Trí Mhuicín’ le haghaidh Seachtain na Gaeilge. Bhí mise mar bhláth. Is cuimhin liom rinne daoine ó TY ár smidiú buí.

ÁR GCÉAD OÍCHE SHAMHNA AR SCOIL

Seo ár chéad Oíche Shamhna ar scoil. Ba mise cailleadh. Chonaic muid scannán ar an gclár cliste agus d'itheamar a lán milseán. Bhí cóisir an-mhór againn. Bhí sé an-mhaith.

ÁR CHÉAD NOLLAIG

Le haghaidh ár gcéad Nollaig bhí orainn geansaí bán lé tinsil a chaitheamh. Bhí mé an-neirbhíseach agus thosaigh mé ag caoineadh mar ní raibh mé ag iarraidh é a dhéanamh. Ach chuaigh mé suas agus ní raibh sé ró-dhona. Bhí sé an-ghreannmhar.

We did all sorts of drills when practising including looking behind us while Gerry asked us what colour cone he was holding up. I liked doing the see saw test on my bike.

Rang a Sé
