## Ranganna 5 agus 6: Myselfie and the Wider World

### MySelfie and the Wider World

This Primary Anti-Cyber Bullying Teachers' Handbook is an SPHE resource developed to engage 5th and 6th class primary school students on the topic of cyber bullying. A series of short animations are the centrepiece of the resource. These will help students develop the skills and understanding to be responsible, socially conscious and effective internet users, as they explore social networks for the first time.
